

OPERATION MESS HALL PARTNERS

Highland Rivers Health is proud to partner with Operation Not Forgotten to ensure the mental health of our veterans is not forgotten, but is respected, treated, supported and remains a priority – for our communities, our families and our nation.

Kilpatrick Townsend law firm, a long-time partner, is proud to donate legal services to support Life Renewed / Operation Not Forgotten's mission to help Veterans and their families

To serve veterans and their families, Concession Nation manufactures Operation Mess Hall Food Trucks for Operation Not Forgotten.

To serve veterans and their families, our Operation Mess Hall food Trucks are purchased at Battlefield Ford.

VetToCEO training program helps transitioning military and veterans explore entrepreneurship and prepares them to start or buy a small business. We are pleased to work with Operation Not Forgotten training veterans to own and operate a franchise business.
